Dear Artisan/Crafter:

Plans are underway for the Darlington Canoe Fest. The Arts and Crafts Fair will be held on the Sunday of the festival as always from 9 am to 4 pm at the top of Main Street in Veteran's Memorial Park.

The parade on Sunday draws thousands of people to our community from the tri-state area. Booths for the Arts and Crafts Fair are set up right along the parade route. Each Booth is a 10' x 12' and costs \$20. *The booth size and fee can be doubled if you need more space.*

I hope that you will join us for this exciting event. Please complete the bottom portion of this letter and return it with your registration fee by the end of May to:
