

We are proud to present
the 58th Annual
**DARLINGTON
CANOE FESTIVAL**
June 7-9, 2024

While it is the Canoe Festival Committee that works 12 months of the year to plan and organize all the activities that take place during our three day event, it is you, our generous sponsors, that truly make Canoe Festival happen. Your contributions help bring quality entertainment, including the fireworks, myriad of events, and the big parade on Sunday. There would be no way for us to continue if we didn't have your financial and moral support! As usual, we're in hopes that our **58th annual Canoe Fest** event scheduled for **June 7-9** is the biggest and best ever!

We are writing to ask you to please consider renewing your sponsorship for 2024. If you have never sponsored, please consider getting involved. The Friends of Canoe Fest sponsorship begins at \$25, although we would greatly appreciate contributions at whatever level your finances would allow. Want to get more involved? Please contact Josh Corley @ sec.treas.bmc@outlook.com or look us up on Facebook - Darlington Canoe Festival. We would encourage individuals or businesses to join the team on the Canoe Festival Central committee. You can also reach out to any committee member.

If you would like to know more about the festival operational expenses, please reach out to Cindy Corley.

As always, and with great appreciation, we thank you for supporting the Darlington Canoe Festival and making this wonderful festival possible.

CANOE FESTIVAL COMMITTEE

Cindy Corley, Diego Camacho, Bob and Rose Harris, Jamie Grunder and Josh Corley
